Section 4: First Aid Measures

Inhalation:
Remove person to fresh air and keep comfortable for breathing. Obtain medical attention if coughing or other symptoms persist.

Eye Contact:
Rinse with plenty of water. Remove contact lenses if present and easy to do. Continue rinsing. If irritation persists obtain medical.

Skin Contact:
Remove/take off all contaminated clothing. Flush skin with running water and wash affected areas thoroughly with soap and water. Wash contaminated clothing before reuse. If skin irritation persists contact a physician.

Ingestion:
Drink 1-2 glasses of water. Never give anything by mouth to an unconscious person. Get immediate medical advice/attention.

Most Important Symptoms and Effects (both acute and delayed):
Calcium carbonate may cause irritation to the respiratory tract, repeated and/or prolonged skin contact may cause irritation or dryness, may cause eye irritation.

Section 5: Fire Fighting Measures

Suitable Extinguishing Media:
Use extinguishing media appropriate to the surrounding fire conditions.

Unsuitable Extinguishing Media:
No data available.

Special Hazards Arising from the Substance or Mixture:
Product can splatter above 100C/212F. Dried product can burn.

Special Protective Equipment and Precautions for Firefighters:
Wear self contained breathing apparatus and protective suit. As for any fire, evacuate the area and fight the fire from a safe distance.

Section 6: Accidental Release Measures

Personal precautions, protective equipment and emergency procedures:
Wear adequate personal protective equipment, including an appropriate respirator. Isolate spill area, preventing entry by unauthorized persons. Material can create slippery conditions.
Environmental precautions:
Avoid releases to the environment and prevent material from entering sewers, natural waterways or storm water management systems.

Methods and material for containment and cleaning up:
Contain spills immediately with inert materials (e.g. sand, earth). Transfer liquids and solid dyeing material to separate suitable containers for recovery or disposal.

Section 7: Handling and Storage

Precautions for Safe Handling:
Avoid contact with eyes, skin and clothing. Wash thoroughly after handling. Keep container tightly closed. Do not breathe vapors, mist or gas.
