Dear Mrs. Ursini:

I have just been informed of your generosity by my son Jim and, as Chair of Leadership and Major Gifts for Villa Charities Foundation, I could not let this moment pass without offering my humble and heartfelt grazie.

Villa Charities is honoured that you have selected to gift a Resident Room of the new Villa Colombo Vaughan long term care facility by pledging \$50,000 over five years, or sooner.

Thanks to your support, this 160 bed state-of-the-art nursing home will continue and enrich our tradition as the leader in culturally-sensitive care for Italian Canadian seniors, a tradition we began thirty years ago with Villa Colombo.

I understand that you will be meeting with Laura Dal Bo, the new Executive Director of the Villa Charities Foundation, to ensure that the timing of pledge installments, naming dedication, wording and specifications meet your requirements.

On behalf of the many volunteers involved in Villa Colombo Vaughan and the many seniors for whom we are working diligently, thank you for your incredible support.

Again and always, grazie.
