Dear Mr. Macri:

I wish to let you know that we are very satisfied with your acrylic roll-on coating.

We formerly had cracking problems with 2 asphalt-lined swimming pools that we operate (Bronte Creek and Earl Rowe Provincial Parks). Various paints were used without success - they simply did not seal large cracks that had developed. Then, we gave Durock's acrylic roll-on coating a try. It sealed the cracks successfully and adhered to the asphalt very well. Our use of the product continues on a three year cycle - 1/3 of each swimming pool is resealed each year.

We recommend Durock's acrylic roll-on coating for similar applications, based on the success we have had with it.

Yours truly,
