DuROCK GEMSTONE, GEMSTONE FINE DESIGNER COLOUR GUIDE

Crafted for those who demand nothing but the best, Gemstone is a premixed, water-based wonder. Its lavish palette boasts a myriad of designer colour combinations to ignite your creativity and match any aesthetic you desire. Whether you're aiming for timeless sophistication or contemporary allure, DuROCK Gemstone has you covered.

The versatility of Gemstone knows no bounds. It can be expertly trowel applied to create sweeping, seamless expanses of pure luxury. Or, if you prefer a more intricate touch, spray application transforms ordinary details like cornices, quoins, columns, and more into exquisite works of art.
